Messrs. Sproatt and Rolan,
36 North Street, Toronto.

Gentlemen:

Mr. Vincent Massey asked me to secure a copy of the arms and motto of Sir William Mulock for insertion in one of the windows of Hart House. I enclose herewith a wax impression of the arms of Sir William Mulock, and he would like it returned to him when you are through with it. Perhaps you would have it returned directly to him at Osgoode Hall.

Yours very truly,

President.
